

## SKOOTSTOR BIKE, SCOOTER, DUSTBIN, PRAM & GARDEN EQUIPMENT STORAGE

For safe storage of bicycles, scooters, prams & garden Equipment

**Skootstor HighBoard - Can be used for Scooters, prams and garden equipment storage etc.**

Thanks to the double doors and opening lid, the applications for the HighBoard are almost limitless: whether as a storage space for bikes, scooters, prams or garden equipment etc.

The HighBoard is available **2 sizes** (160 and 200) and **3 colours** (metallic quartz grey, metallic silver and metallic dark grey).

Our highboard impresses with its optically simple and high-quality design. To be able to store up to two bicycles, you need the size 200.

### Advantages

- Lid constructed from powder-coated aluminium
